**Re: Chemetco**

Dear Ms. Kerr:

I received your package regarding Chemetco last week at my Glenview, IL address. I noticed on the cover letter that the first mailing was sent on November 30<sup>th</sup> of 2011 to ROIC in Denver, CO. That facility has been closed for over 3 years.

When I called you in September, I assured you that I would respond to the information requested to the best of my knowledge and recollection. Unfortunately, I can't answer many of the questions because I personally wasn't involved in any of the transactions with Chemetco.

In 2007 when ROI lost the bidding to Fortune Plastics/Fortune Metal, our company was so dedicated to the needs of Verizon and Qwest, that when we lost the two contracts, simultaneously the same year, we couldn't sustain the overhead and capital requirements to continue the business. Consequently, we closed all of our facilities. I have enclosed for you copies from the State of Illinois with dates of corporate dissolution. I have also enclosed a copy of the receipt showing the date that all the records were purged and shredded. Each facility (for security and privacy purposes) shredded their records individually but I don't have those receipts.

In terms of the communications and transaction handling between our Denver facility and Chemetco, that was handled by our plant manager. From what I remember is that we sold cable and computer cards to Chemetco. Unfortunately for us, when Chemetco filed for bankruptcy, we had no idea they were going to file for bankruptcy because we had a shipment of material that they just received from us that they never paid for that we lost money. Then we received a letter from the bankruptcy trustee stating that we had to pay back to the bankruptcy trustee for material paid by Chemetco a month or two earlier in the amount of \$35,000 +/- . At that time the company was only two years old and those transactions hurt us financially deeply. After discussing the issue with the bankruptcy attorney and our attorney, we were advised that it would be too expensive and not much in return to pursue the matter legally.

Ms. Kerr if there is anything else that I can do to help in your research please don't hesitate to call, mail me or email me.

Roman Marushka
